RESPONSE TO OFFICE COMMUNICATION DATED  
OCTOBER 2, 2002

United States Patent and Trademark Office  
P.O. Box 2327  
Arlington, VA 22202

Dear Sir:

This is responsive to the Examiner's Communication dated October 2, 2002. In the Communication, the Examiner confirmed that the prosecution of the Reissue Application is stayed. This confirms that the case of Simple Technology, Inc. (now known as SimpleTech, Inc.) v. Dense-Pac Microsystems, Inc. is still pending. On October 7, 2002, the Supreme Court of the United States granted certiorari, vacated the judgment of the Federal Circuit and remanded the case to the Federal Circuit for further consideration in light of Festo Corp. v. Shoketsu Kinzoku Kogyo Kabushiki Co., 535 U.S. \_\_\_\_ (2002).

Thus, the litigation has not been terminated, and the prosecution of the Reissue Application should continue to be stayed.

Appl. No. : 09/514,633  
Filed : February 28, 2000

If further issues remain to be resolved, the Examiner is cordially invited to contact the undersigned such that any remaining issues may be promptly resolved.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
